

NEXT SCIENCE®

3 April 2020

Dear Shareholder,

On behalf of the Board of Directors of Next Science Limited (**Next Science**), I am pleased to invite you to Next Science's 2020 Annual General Meeting (**AGM**).

The AGM will be held on **Wednesday, 6 May 2020** commencing at **10.00am** (Sydney time). Enclosed is the Notice of Meeting setting out the business of the AGM and a Voting Form. I encourage you to read the Notice of Meeting (including the Explanatory Memorandum).

The AGM will be webcast at: <https://agmlive.link/NXS20>

The online functionality offered for the AGM will be superior to that offered at our September 2019 General Meeting in that not only will shareholders be able to view the AGM live, they will also be able to ask questions and vote during the meeting. A Guide on how to use the online facility is available on Next Science's website at: <https://investors.nextscience.com/investor-centre/?page=shareholder-meetings>.

Whilst none of our people have contracted COVID-19, as far as we are aware, Next Science is focused on the continued wellbeing of our staff and that of our shareholders. We are also committed to playing our role as a responsible corporate citizen in reducing community transmission of COVID-19 and its impact on our health systems. With this objective in mind, we urge you to please utilise the online facilities offered and not attend in person.

In addition to the formal items of business set out in the Notice of Meeting, I will give an address as Chairman and Judith Mitchell, Next Science's Managing Director, will provide a business update. You will be able to listen to both the address and presentation via the webcast. A copy of the address and presentation will also be released on the ASX prior to the commencement of the meeting.

You may, and are encouraged to, enter your vote on the items of business ahead of the AGM by completing and returning the enclosed Voting Form no later than 10.00am (Sydney time) on Monday, 4 May 2020 in one of the ways specified in the Notice of Meeting and Voting Form.

I also encourage you to submit questions and comments ahead of the AGM using the enclosed Question Form.

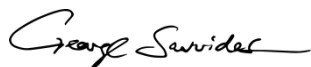

I am pleased to report that we have made a significant improvement in the number of shareholders who have elected to receive shareholder communications electronically. As at 1 April 2020, 51% of Next Science's shareholders, had elected to receive shareholder communications electronically. Next Science continues to be eager to increase this number to as close to 100% as possible. With this in mind, if you have not already done so, I would be grateful if you would please elect to receive shareholder communications electronically by either:

- (i) entering your email address on the enclosed 'Communication Election' form and returning the form in the prepaid envelope provided; or
- (ii) using the SRN or HIN shown on your Voting Form to login to Link's Investor Centre (via Link's website www.linkmarketservices.com.au) and select 'Electronic Communications' under the 'Communications' tab.

If you have any questions, please do not hesitate to contact Next Science's Company Secretary, Gillian Nairn, on +61 2 9375 7989 or by email to: nairn@company matters.com.au.

Thank you for your support of Next Science.

NOTICE OF ANNUAL GENERAL MEETING

Notice is given that the 2020 Annual General Meeting of the shareholders of Next Science Limited (**Next Science** or the **Company**) will be held on **Wednesday, 6 May 2020** at 10.00am (Sydney time) at Level 5, 1 Margaret Street, Sydney, New South Wales, Australia (**AGM**). Shareholders will be able to view the AGM live as well as vote and ask questions during the meeting by joining the webcast of the AGM using the following link: <https://agmlive.link/NXS20>

The Explanatory Memorandum accompanying this Notice of Meeting provides additional information on the matters to be considered at the AGM. The Explanatory Memorandum, Entitlement to Attend and Vote section and Voting Form are part of this Notice of Meeting.

A. RECEIPT OF FINANCIAL REPORT

The first item of business is to receive and consider the Financial Report, the Directors' Report, and the Independent Auditor's Report of the Company for the financial year ended 31 December 2019.

All shareholders can view the Company's 2019 Annual Report which contains the Financial Report, the Directors' Report and the Independent Auditor's Report of the Company for the year ended 31 December 2019 on the Company's website at <https://investors.nextscience.com/investor-centre/?page=half-year-and-full-year-reports>.

B. ITEMS FOR APPROVAL

Resolution 1 – Election of Mark Compton

To consider and, if thought fit, pass the following as an ordinary resolution of Next Science:

“That Mark Compton, who was appointed by the Board in accordance with clause 61.3 of the Company's former constitution (which was replaced on 24 January 2019, pursuant to the shareholders' approval given at the general meeting held on 14 December 2018), and being eligible for election, is elected as a Director of the Company.”

Resolution 2 – Election of Aileen Stockburger

To consider and, if thought fit, pass the following as an ordinary resolution of Next Science:

“That Aileen Stockburger, who was appointed by the Board in accordance with clause 61.3 of the Company's former constitution (which was replaced on 24 January 2019, pursuant to the shareholders' approval given at the general meeting held on 14 December 2018), and being eligible for election, is elected as a Director of the Company.”

Resolution 3. Remuneration Report

To consider and if thought fit, pass the following as a non-binding ordinary resolution of Next Science:

“That the Company's Remuneration Report for the financial year ended 31 December 2019, as set out in the Directors' Report, is adopted.”

The Remuneration Report is contained in the 2019 Annual Report (available at <https://investors.nextscience.com/investor-centre/?page=half-year-and-full-year-reports>).

Please note that, in accordance with section 250R(3) of the *Corporations Act 2001* (Cth) (**Act**), the vote on this resolution is advisory only and does not bind the Directors or the Company.

Voting Exclusion Statement

A vote on Resolution 3 must not be cast (in any capacity) by, or on behalf of, the following persons:

- a. a member of the key management personnel (**KMP**) whose remuneration details are included in the Company's Remuneration Report for the financial year ended 31 December 2019; or
- b. a closely related party of such a KMP (including close family members and companies the KMP controls).

However, a person described above may cast a vote on Resolution 3 as a proxy if the vote is not cast on behalf of a person described above and either:

- a. the proxy appointment is in writing that specifies the way the proxy is to vote (e.g. for, against, abstain) on the resolution; or
- b. the vote is cast by the chair of the AGM and the appointment of the chair as proxy:
 - i. does not specify the way the proxy is to vote on the resolution; and
 - ii. expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

"Key management personnel" and "closely related party" have the same meaning as set out in the Act.

In accordance with section 250BD of the Act, a vote must not be cast on Resolution 3 as a proxy by a member of the KMP as at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chair of the AGM where the proxy appointment expressly authorises the Chair of the AGM to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

C. QUESTIONS AND COMMENTS

The Chairman will give shareholders a reasonable opportunity to ask questions about, or comment on the management of the Company.

By Order of the Board

Gillian Nairn
Company Secretary
3 April 2020

ENTITLEMENT TO PARTICIPATE AND VOTE

In accordance with regulation 7.11.37 of the Corporations Regulations 2001 (Cth), the Board has determined that persons who are registered holders of shares of Next Science as at 7:00 pm (Sydney time) on **Monday, 4 May 2020** will be entitled to participate in and vote at the AGM as a Shareholder.

If more than one joint holder of shares participates in the AGM (whether personally, by proxy or by attorney or by representative) and tenders a vote, only the vote of the joint holder whose name appears first on the register will be counted.

How to Vote

If you are a Shareholder entitled to participate in and vote at the AGM, you can vote your shares directly in one of the following ways:

- (i) by voting your shares online prior to the AGM at www.linkmarketservices.com.au using the details on the enclosed Voting Form;
- (ii) by completing Section A of the enclosed Voting Form and delivering the completed Voting Form to the Company prior to the AGM in accordance with the lodgement instructions below;
- (iii) by completing Section B of the enclosed Voting Form to appoint a proxy or nominee to vote on your behalf during the AGM; or
- (iv) by joining the webcast and voting during the AGM.

Whilst you are entitled as a shareholder, pursuant to the Company's Constitution, to attend the AGM and vote in person, due to COVID19 transmission risks, we strongly urge you to **not** attend in person and to participate in the AGM via the webcast accessible on the following link: <https://agmlive.link/NXS20> .

Shareholders should complete their voting directions by selecting 'for' or 'against' for each item on the Voting Form. Do not complete the 'abstain' box if you are voting directly as it will result in an invalid vote.

If no direction is given on an item or if Section A and Section B are both completed on the Voting Form, your vote may be passed to the Chair of the AGM as your proxy. The Chair of the AGM intends to vote all available undirected proxies in favour of each resolution.

Proxies

If you are a Shareholder entitled to participate and vote, you may appoint a proxy or proxies to participate and act on your behalf at the AGM. A proxy need not be a Shareholder and can be an individual or a body corporate.

If a body corporate is appointed as a proxy, that body corporate must ensure that it appoints a corporate representative in accordance with section 250D of the *Corporations Act 2001* (Cth) (**Act**) to exercise its powers as proxy at the AGM.

An appointment of proxy must be made by written notice to the Company that:

1. complies with section 250A(1) of the Act; or
2. is in a form and mode, and is signed or otherwise authenticated by the Shareholder in a manner, satisfactory to the Board.

If a Shareholder is entitled to cast two or more votes at the AGM, the Shareholder may appoint one or two proxies. If two proxies are appointed, the appointing Shareholder may specify the proportion or number of their votes each proxy is appointed to exercise. In accordance with Rule 17.1 of the

Company's Constitution, if no proportion or number is specified, each proxy may exercise half of the Shareholder's votes.

Undirected proxies

IMPORTANT: If you appoint the Chair of the AGM as your proxy, or the Chair becomes your proxy by default, and you do not direct your proxy how to vote on Resolution 3, then by submitting the proxy form you will be expressly authorising the Chair to exercise your proxy on the relevant resolution, even though the resolutions are connected, directly or indirectly, with the remuneration of the KMP.

Power of Attorney

If you are a Shareholder entitled to participate and vote, you may appoint an attorney to act on your behalf at the AGM. Your appointment must be made by a duly executed power of attorney. The power of attorney (or a certified copy of it) must be received by Next Science no later than 10.00am (Sydney time) on **Monday, 4 May 2020**, being 48 hours before the AGM.

Corporate Representatives

A body corporate which is a Shareholder, or which has been appointed as a proxy, is entitled to appoint any person to act as its representative at the AGM. The appointment of the representative must comply with the requirements under section 250D of the Act. The representative should deliver to the Company prior to the AGM, a properly executed letter or other document confirming its authority to act as the company's representative.

Lodgement

The Company encourages you to register your voting instructions in one of the ways below:

- voting prior to the AGM by completing Section A of the enclosed Voting Form and returning the Voting Form to the Company in accordance with the lodgement instructions below; or
- appointing a proxy to participate and act on your behalf at the AGM by completing Section B of the Voting Form and returning the Voting Form to the Company in accordance with the lodgement instructions below; or
- by voting online during the AGM via the webcast accessible on the following link: <https://agmlive.link/NXS20>

To be effective, your Voting Form must be received by Next Science no later than 10.00am (Sydney time) on **Monday, 4 May 2020** by one of the following methods:

Questions from Shareholders

Shareholders are invited to submit written questions relating to the business of the Company or any item of business at the AGM by using the Question Form attached to this Notice of Meeting.

Questions must be received no later than 5.00pm on Wednesday, 29 April 2020.

We may not be able to respond to each question individually. We will however endeavour to respond to as many as possible of the most frequently raised Shareholder questions.

Shareholders who join the webcast of the AGM will also be able to ask questions during the AGM.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared in relation to the business to be conducted at the AGM.

The purpose of this Explanatory Memorandum is to provide shareholders of Next Science (**Shareholders**) with information that is reasonably required by Shareholders to decide how to vote upon the resolutions being put forward at the AGM.

Subject to the abstention noted below, the Directors unanimously recommend Shareholders vote in favour of all Resolutions. The Chairman of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Resolutions 1 and 2 are ordinary resolutions which require a simple majority of votes cast by Shareholders entitled to vote on the resolution. Resolution 3, relating to the Remuneration Report, is advisory and does not bind the Directors or the Company.

Resolution 1 and Resolution 2 - Election of Directors

Rule 20.7 of the Company's Constitution and ASX Listing Rule 14.5 require that the Company hold an election of Directors at each annual general meeting and that at least one director stand for election or re-election at the annual general meeting.

As none of the Directors will have been in office for more than three annual general meetings or three years since Next Science's admission to ASX, no Director is required to retire and offer themselves for election at the AGM. Professor Mark Compton and Aileen Stockburger have volunteered to put themselves forward for election at the 2020 AGM.

Professor Mark Compton AM

Mark Compton was appointed an independent Non-Executive Director of Next Science in October 2018. If shareholders do not approve the re-election of Mr Compton then he will cease to be a Director at the conclusion of the AGM.

The Board considered whether Mr Compton had any interest, position or relationship that may interfere with his independence as a Director, having regard to the relevant factors set out in the ASX Corporate Governance Council's Corporate Governance Principles & Recommendations (4th edition) (**ASX Recommendations**). The Board considers that Mr Compton (if re-elected), will continue to be an independent Director.

Mr Compton is the Non-Executive Chairman of Sonic Healthcare Limited (appointed as a director in 2014 and as Chairman in 2015), which is a global medical diagnostics and healthcare organisation that is a Top 50 ASX listed company. Mr Compton is also the Lord Prior of the International Order of St John and Chairman of the Board of Trustees of St John International (appointed on 24 June 2019) and he is the Chairman of St Luke's Care Limited (since 2017), a not-for-profit health and aged care organisation and St John Ambulance Australia (since 2013). Until December 2018, Mr Compton was also a non-executive director of Macquarie University Health, and MQ Health (2010 - 2018).

Mr Compton is a member of various committees, including the Audit Committee and Remuneration and Nomination Committee of Sonic Healthcare Limited; and the Finance and Audit Committee, Remuneration Committee and Medical Advisory Committee of St Luke's Care Limited.

Mr Compton has held various CEO and managing director roles, including at St Luke's Care Limited, Immune System Therapeutics Limited, Royal Flying Doctor Service of Australia, SciGen Limited and Alpha Healthcare Limited.

He is an Adjunct Professor at Macquarie University in healthcare leadership and management (since 2012).

Mr Compton holds a Bachelor of Science (Pharmacology, Physiology and Biochemistry) and an MBA from the University of New South Wales. He is a Fellow of the Australian Institute of Company Directors, the Australasian College of Health Services Management, the Australian Institute of Management and the Royal Society (New South Wales).

The Board supports the re-election of Mr Compton as he significantly contributes to the Board's mix of skills and experience as described in his biography.

The Directors, with Mark Compton abstaining, unanimously recommend that Shareholders vote in favour of Resolution 1.

Aileen Stockburger

Aileen Stockburger was appointed an independent Non-Executive Director of Next Science in October 2018. If shareholders do not approve the re-election of Ms Stockburger then she will cease to be a Director at the conclusion of the AGM.

The Board considered whether Ms Stockburger had any interest, position or relationship that may interfere with her independence as a Director, having regard to the relevant factors set out in the ASX Recommendations. The Board considers that Ms Stockburger (if re-elected), will continue to be an independent Director.

Ms Stockburger spent almost 30 years at Johnson & Johnson in numerous roles and oversaw transactions with cumulative purchase prices in excess of US\$70 billion.

Prior to joining Next Science, Mrs Stockburger was the Worldwide Vice President of Business Development for the DePuy Synthes Group of Johnson & Johnson. In this position, she oversaw the group's merger and acquisition activities, including deal structuring, negotiations, contract design and review, and deal terms. She led Johnson & Johnson's efforts to acquire Synthes for approximately US\$21 billion, Johnson & Johnson's largest medical device acquisition. She also led the efforts to divest the DePuy Trauma business and acquire Micrus Endovascular. She was also involved in numerous other merger and acquisition transactions including Pfizer Consumer HealthCare (US\$16.5 billion), Aveeno, BabyCenter, OraPharma, DePuy, DePuy Mitek, Kodak Clinical Diagnostics and Neutrogena. Prior to joining Johnson & Johnson, Ms Stockburger spent three years at Coopers and Lybrand (now PricewaterhouseCoopers), where she earned her Certified Public Accountant (CPA) certification.

Ms Stockburger holds a Bachelor of Science and an MBA from The Wharton School, University of Pennsylvania. She is also a Graduate of the Australian Institute of Company Directors.

The Board supports the re-election of Ms Stockburger as she significantly contributes to the Board's mix of skills and experience as described in her biography.

The Directors, with Aileen Stockburger abstaining, unanimously recommend that Shareholders vote in favour of Resolution 2.

Resolution 3 – Remuneration Report

Section 250R(2) of the Act requires that the section of the Directors' Report dealing with the remuneration of directors and key management personnel (**KMP**) of the Company (**Remuneration Report**) be put to the vote of Shareholders for adoption by way of a non-binding vote. The vote on this resolution is advisory only and does not bind the Directors or the Company. However the Board will take the outcome of the vote into account in setting remuneration policy for future years.

Shareholders can view the full Remuneration Report in the Annual Report which is available on Next Science's website at <https://investors.nextscience.com/investor-centre/?page=half-year-and-full-year-reports>.

Following consideration of the Remuneration Report, the Chairman of the Meeting will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

The Directors abstain, in the interests of good corporate governance, from making a recommendation in relation to Resolution 3.
